Conference Season in Full Swing at IWU

It's hard to believe that Conference Season began eight weeks ago. Since the start of the Never 2 Young Junior High Weekend on May 5th, the campus has been blessed to welcome nearly 8,000 guests so far this summer. But that is just the tip of the iceberg when you consider that, over the next six weeks, IWU will receive nearly 17,000 guests to campus.

We ask that you continue to lift up in prayer the many departments and individuals who are charged with important functions and tasks that will make our guests' experience on campus fulfilling and enjoyable.

From the Assistant Director's Desk

Sound, Lighting & Media Group is pleased to welcome Ken Grile, our new Assistant Director. The following is a welcome greeting from Ken which will give our readers a chance to know him a little better.

I am extremely grateful to have been given the opportunity to join the team here at Indiana Wesleyan University. This position truly has been an answer to prayer to both continue what I have been doing for the last ten years as well as to be closer to my family. For the last ten years, I have been working at Sherwood Oaks Christian Church in Bloomington, Indiana as the Technical Director. My wife and I have three children, all of which are under the age of seven. We have been praying that God would lead us to a job closer to our family that reside in Muncie. I have only been on the job here at IWU for two weeks, but I have been impressed by all of the hospitality that has been shown to my family and me and look forward to my future here at Indiana Wesleyan.
